Certification:

The applicant shall notify the department of any changes in the information contained in the application during the period for which the permit is in effect. A permit will be issued only when the application has been determined to be complete and when the proposed work is determined to conform to the requirements of all applicable codes, laws and ordinances. A building permit may be suspended or revoked if it is determined that the work to which it pertains is not proceeding in conformance with applicable codes, laws and ordinances, or with any condition attached to such permit, or if there has been a misrepresentation or falsification of a material fact in connection with the application for permit. A building permit shall expire 6 months from the date of issuance or upon the issuance of a certificate of occupancy which ever comes first. The Permit, upon request may be renewed for one six month period, provided that (1) permit has not been revoked or suspended at the time the renewal application is made; (2) the relevant information in the application is up to date; and (3) any additional renewal fees are paid. I hear by certify that I have read the instructions and examined this application and know the same to be true and correct, All provisions of laws and ordinances covering this work will be compiled with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
