Dear Chet,

On behalf of the Rensselaer Fire Department, I am writing to request your generous support in helping us enhance our emergency response capabilities through the acquisition of critical confined space rescue equipment. As a dedicated team of first responders, our mission is to ensure the safety and well-being of our community, including the essential workers and facilities at Empire Generating.

Confined space rescues are among the most challenging and hazardous situations we face. Whether responding to emergencies in industrial facilities, underground areas, or other restricted spaces, having the right equipment can mean the difference between life and death. Unfortunately, much of our current equipment is insufficient to meet the growing demands of these specialized rescues.

With your partnership, we aim to purchase state-of-the-art confined space rescue tools, including air-line breathing units, a tripod, a communications suite and various carabiners. These tools will not only enhance our ability to respond quickly and effectively but also ensure the safety of our firefighters and those in need.

We recognize and deeply appreciate Empire Generating's longstanding commitment to the safety and prosperity of Rensselaer and its surrounding areas. Your support in this endeavor will directly contribute to protecting lives, including those who work within your facilities.

We would be honored to acknowledge your contribution publicly and can provide updates on how your donation is utilized to make a tangible impact. Additionally, we are happy to discuss continued opportunities for collaboration, such as joint training exercises or safety demonstrations.

Thank you for considering this vital request. I would be delighted to meet with you to discuss this initiative further or provide any additional information you may require. Please feel free to contact me at

Your generosity will ensure we remain prepared to meet the challenges of today and tomorrow, safeguarding our community and those who call it home.

Respectfully,

William F. Brooking, Jr.

Resolution Calling for an Increase in AIM Funding

Whereas, the Arterial Maintenance funding program plays a critical role in funding essential municipal services for cities across New York State; and

Whereas, city officials share the same priorities as our state leaders which is to make New York safer and more affordable; and

Whereas, New York's local governments, who are on the frontlines of controlling property tax affordability and ensuring public safety, are integral to achieving those goals; and

Whereas, the State has not increased Arterial Maintenance funding in many years; and

Whereas, the property tax cap further limits the ability of local governments to properly fund the services their residents need; and

Whereas, the challenges of rising inflation, the increasing costs of labor and supplies, and the end of extraordinary federal aid, only accentuate the need for an increase in Arterial Maintenance funding; and

Whereas, the Governor's 2025-26 Executive Budget should include an increase in Arterial Maintenance Funding as set forth in the attached proposed State Law, as supported by Assemblyman McDonald and Senator Ashby; and

Whereas, an increase in Arterial Maintenance funding would reduce the local tax burden and help revitalize communities across New York;

Now, therefore, be it resolved that the City of Rensselaer Common Council and Mayor urge Governor Hochul to work with the leaders of the Senate and Assembly and increase Arterial Maintenance Funding as set forth in the attached proposed State Law; and it is

Further Resolved, that a copy of this resolution shall be sent to the Governor, Senator Jeremy Cooney, Assemblyman William Magnarelli, Senator Ashby, Assemblyman McDonald and the New York State Conference of Mayors.

WITNESSETH

WHEREAS, the Municipality has the obligation to maintain a municipal animal shelter and to seize and ensure the proper disposition of animals pursuant to Article 7 of the New York State Agriculture and Markets Law ("Law"), and to ensure that the animals are properly sheltered, fed and watered pursuant to the regulations promulgated by the New York State Department of Agriculture & Markets contained at 1 NYCRR Part 77, and the Municipality desires to obtain the services of the County to perform such services as required by Article 7 of the Law for the Redemption Periods and subsequent legal dispositions specified therein, and as otherwise set forth in this Agreement; and

WHEREAS, the County maintains a shelter for dogs, cats, and other small, domesticated companion animals (individually, an "Animal" or collectively, "Animals") and is desirous of entering into this Agreement to shelter and provide services to Animals brought to it from Animal Control and/or Dog Control Officers, and /or police officers of the Municipality (hereinafter collectively referred to as "Officers").

NOW THEREFORE, IT IS AGREED between the parties hereto that the County operates and maintains a municipal shelter in accordance with the Law and that County may, but is not obligated to, accept transfer of ownership of an Animal from the Municipality. Upon transfer of ownership of an Animal from the Municipality to the County, the County has sole discretion to spay and neuter the Animal, vaccinate the Animal for rabies, make the Animal available for adoption, and transfer or humanely euthanize the Animal, as provided for in the Law and the rules and regulations promulgated by the New York State Department of Agriculture and Markets pursuant thereto

I. EXCLUSIONS

a. The County will only accept stray/at-large Animals directly from residents of the Municipality only when prior consent is provided by an Officer of the Municipality and an appropriate Officer or Agent agrees to provide the legally required seizure and disposition report ("DL-18") to the County within one (1) business day of the intake.

b. The County shall not house animals seized as "Dangerous Dogs" on behalf of the Municipality under Article 7.123 of the Law, or as "Vicious Dogs" or the equivalent under municipal code, and the Municipality shall not bring such animals to the County for housing.

c. The County shall not house Animals solely for Rabies Confinement on behalf of the Municipality, and the Municipality shall not bring animals to the County for Rabies Confinement in the absence of violations under §117 of the Law. Rabies Confinement for legally owned and identified Animals shall be the responsibility of the Animal's owner.

d. The County shall not carry out Rabies Confinement on behalf of the Municipality for bites to non-human animals. Moreover, the Municipality shall not bring animals to the County for Rabies Confinement in the absence of violations under §117 of the Law.

e. The County may, in its sole discretion, spay, neuter, and/or vaccinate an Animal. The Municipality shall be charged according to the fee structure in Section II herein. Prior to the spaying or neutering of each Animal, the Municipality shall sign and submit a surgical waiver to the County.

f. The County shall not house Animals due to temporary displacement of their owners on behalf of the Municipality, resulting from and including but not limited to hospital stays, code violations, imprisonment or incarceration. The Municipality shall not bring such animals to the County for housing.

g. The County shall not accept Animals surrendered by their owners to agents or officers of the Municipality, and the Municipality shall not bring such Animals to the County for housing. Owners wishing to surrender their Animals must contact the County directly for assistance with rehoming or to schedule euthanasia appointments.

h. The County shall not shelter any Animal on behalf of the Municipality seized for any reason other than violation of §117 of the Law. Animal sheltering for other reasons is outside of the scope of this Agreement and must be negotiated separately and on a case-by-case basis, with an executed written agreement between the parties before sheltering services will be rendered by the County.

i. The County shall not be required to shelter any Animal beyond its capacity for humane care. The County retains sole discretion to deny admittance of any animal for any reason, including but not limited to, the County does not have adequate kennel space, during contagious disease outbreaks, and any other time admitting a seized Animal presents an undue risk to the safety of other sheltered animals or County staff.

j. The Municipality acknowledges its sole responsibility for securing and funding alternate housing in the event the County must refuse to accept a seized Animal, or when the County requires that an Animal creating undue risk be removed from the shelter by the Municipality. The County agrees to notify the Municipality as soon as is reasonable in the event of space constraints or disease outbreak that necessitates halting the intake of Animals.

k. The County expressly reserves the right to euthanize any Animal should the County, in its sole discretion, deem euthanasia legally allowable under §374 of the Law.

l. The County expressly reserves the right to refuse to perform any euthanasia on any animal for any reason, in the County's sole discretion.

II. FEES PAYABLE TO THE COUNTY

a. Transfer Fees

- i. The Municipality shall incur a transfer fee of \$400 per dog and \$100 per cat or other small, domesticated companion Animal, plus assessment fee of \$100 per assessment visit. Only dogs deemed appropriate by assessor will be considered for transfer, and only if space is available.
- ii. Euthanasia Services: \$50.00 per feline or other small, domesticated companion Animal; \$100.00 per canine

b. All fees for services and sheltering rendered under this Agreement shall be paid to County on a Net 30 basis. County shall invoice the Municipality monthly.

c. Failure of the Municipality to make such payment in full within thirty (30) days of the due date shall constitute grounds for termination of the Agreement, and notification to the Commissioner of Agriculture and Markets of the Municipality's violation of Article 7 of the Agriculture and Markets Law.
