## Sales Program D-8188

**All State of New York Truck Dealers**

November 3, 2025 – December 31, 2026

### 2026 New York State Ordering Program

International is proud to announce the addendum to the **2026 New York State Ordering Program**. Use this program to provide sales through your dealership to State of New York government, education, and non-profit agencies, including New York State Office of General Services, (NYSOGS Mini-Bids) and Onondaga County, BID REF #0010914 / ONGOV #106-19. The dealer price is based on the SPA discount that correlates to the customer list price discount. Final price to the customer is based on **total list price** minus the appropriate discounts off the chassis list price and options based on model spelled out in each of the Onondaga contracts. The dealer is encouraged to utilize the State of New York Excel Workbook, available on the SMRC, as a tool to validate the pricing provided to the State of New York government, education, and/or non-profit agencies, including New York State Office of General Services, (NYSOGS Mini-Bids) is accurate.

#### OFFICE OF GENERAL SERVICES (OGS):

International Motors LLC\* has made the decision to relinquish the direct sale accounts of any and all sales under the OGS contract, using the mini-bid process, including but not limited to the New York State DOT and New York State Thruway, turning these over with intention of dealer led sales using the sales program of D-8171.

Each dealer wanting to participate in the bidding and subsequent award through an OGS Mini-Bid, will need to submit the proper documentation to be added to the OGS contract as a vendor – as each mini-bid requires a vendor ID number to submit your bid.

In addition, each dealer would be responsible for submitting quarterly reports to the NYS Office of General Services and the Onondaga County on the units that have been sold through the mini-bid or Onondaga Contract process.

Each Mini bid is issued through the purchasing entity vs. the OGS and may have their own specifications and terms of the contract that may need to be met.

#### Program Highlights

- **Eligible Models:** International<sup>®</sup> CV<sup>™</sup>, MV<sup>™</sup>, HV<sup>™</sup>, and HX<sup>®</sup> Series vehicles.
- **Program Period:** November 3, 2025, through December 31, 2026
- **Eligible Customers:**
  - Customer must be located within the State of New York as a government, education, and/or non-profit agency, including New York State Office of General Services, (NYSOGS Mini-Bids) for sales to New York State DOT, New York State Thruway Authority.
  - Recommended that all orders contain order code 10SLV.
- **New Sold Orders**
  - **Program #:** D-8188 is the program number used to place eligible orders.
  - **Order Provisions:** Order must be placed as sold.
  - **Ordering Period:** November 3, 2025, through October 31, 2026

- **Production:** Units must be built no later than December 31, 2026.
  - Vendor Option or Spread production available.
- **Price Pages:** October 2025, price pages.
- **Floor Plan Terms:** 120 Days BMI (includes transit time).
- **Existing Dealer Inventory:**
  - Existing stock inventory will be sold at the established New York State discounts.
  - **DTU Requirements:** Units must be delivered to Customers (DTU'd) by December 31, 2026.
  - **Price Pages:** Units delivered from stock inventory retain price page date as invoiced.
  - **Dealer Inventory Administration:** To receive established New York State discounts, dealer must simply DTU their stock inventory unit under D-8188.
    - Onondaga County must use Pricing Customer (#669218)
    - New York State Government must use Pricing Customer (#755418).

**Program Administration:**

- State of New York will be adopting the CARB Advanced Clean Trucks Regulation (ACT), deliveries of Diesel-powered units will be dependent on the purchase of Zero Emissions Vehicles (ZEV) at the ratio of 1 ZEV to 8 Diesel units. This is a state requirement OEM's are obligated to follow – This delivery condition would apply between January 1, 2026, and December 31, 2026.
  - **NYS DEC has an exemption for snowplows and street sweeping applications, which must be approved by the NYS DEC and submitted to International in order to code and build exempt units without a voucher in place.**
- It is the dealer's responsibility to retain all pertinent documentation to support the customers or the State of New York Comptroller Office audits; this documentation must be made available within 48-hours of a formal audit request from the customer or the State of New York Comptroller Office.
  - State of New York Excel Workbook and summary page.
  - The Customer's TOPS proposal.
  - Onondaga County contract numbers (BID REF #0010914 / BID REF #0011142).
  - New York State OGS contract numbers (PCDEALER#)
- Customer Final Purchase Order or Letter of Intent to Purchase referencing one of the State of New York Excel Workbook and Sale Summary, is available through the SMRC, and should be utilized to validate the pricing provided to the State of New York government, education, and/or non-profit agency is accurate.

**Program SPA**

International Motors, Onondaga County, and State of New York are acting on behalf of the New York State dealers under the existing contract terms. This is a "Ceiling Contract", whereas a vehicle can always sell for less than the discounted process, but never for more than the calculated price. Dealer must use the approved body equipment vendor listed on the Onondaga County contract, see below. The State of New York Excel Workbook or summary Sheet for the "Class 6-8" and CV Series models will help ensure pricing is correct.

A purchase order and final pricing for New Sold Orders cannot be confirmed until the unit is slotted to build with a firm build date (lineset). Once a firm build date has been established, dealer will provide the Onondaga County approved pricing, and a purchase order can be accepted with firm pricing.

New York State OGS Mini-bid contract states that once a PO has been issued pricing must be adhered to per the contract terms. **Additional pricing due to Federal EPA government mandates, or CARB related increases, greenhouse gas associated costs, additional destination charges, and model discontinuation must be discussed with the customer and the PO amended prior to chassis lineset.**

## **Program Guidelines**

- New York State pricing is based on total list price minus 30% discount off the chassis list price and 25% on list options.
- Dealer may utilize the customers body equipment upfitter detailed in the NYSOGS Mini bid.
- Dealer may "ONLY" utilize Onondaga County approved body equipment vendors, listed below.
- Dealer cannot add any additional markup for the body equipment.
- Dealer may add for additional post build work if it stays below contract base pricing.
- Dealer can charge customer additional freight cost, floorplan cost, fees, and taxes, but cannot markup any of these items.
- Maximum markup on Extended Service Warranty Contracts is list price. A dealer may reduce this amount and provide additional discount to the end customer at the dealers' discretion.

## **Silver Package Benefits & Incentives**

- **Silver Package Incentives:** provided at \$0 for any sales of new sold orders to the State of New York government, education, and/or non-profit agency, including New York State Office of General Services. Please add feature code 10SLV code for this incentive. To review the benefits of the Silver Package, please see below.
- **Silver Package Benefits:** Qualifying customers receive subscriptions to the following OnCommand® systems for a two-year period. The start on the two-year subscription coincides with the warranty start date.
  - OnCommand Service Information - is the backbone for International service. It is a web-based portal that enables customers to access to the latest International® service manuals, circuit diagrams, and bulletins, along with VIN-based information such as component line set information, warranty history, health history report, and other critical information.
  - OnCommand Parts Information - is an online application that is a web-based portal that enables customers with instant access to VIN-specific parts information necessary to support and service their International vehicles and International engines.
  - A \$1,200 value at no charge! Please add feature code 10SLV for Silver Package incentive.

## **General Provisions**

1. Units not DTU'd to agencies, which include all State of New York government, education, and non-profit agencies, will have all incentives received under this program reversed and the terms of the new SPA applied. Invoice Credits are considered SPA and will be included in the SPA calculation when providing additional allowance to equal the SPA levels as defined under the inventory SPA or subsequent sales program. This program, or any of the incentives associated with it, cannot be combined with other programs.
2. Program incentives may not be combined with any other national incentive or rebate program offered through International, including but not limited to OOIDA and Consolidated Business Solutions purchase programs.
3. All program units are subject to any additional surcharges, tariffs, or government mandated price changes.
4. Please see Product Pricing Letter for freight and destination charges
5. Production request dates on new orders which fall beyond the program build by deadline will not be honored.
6. Transit time per Sales Policy 'New Truck Floor Plan Terms and Note Settlement Procedures.
7. Trucks sold under this program will count towards Champion's Club.
8. The upfront SPA, terms, and any applicable invoice credits will be applied at time of invoice on new orders.
9. Sales program orders are only for delivery to end-user customers domiciled inside the United States. Any units delivered inside the United States initially, then later exported outside the United States will be subject to the terms and conditions spelled out in International's Export Policy Letter G-1860A, up to a full reversal of all incentives.
10. International Motors, LLC, reserves the right to cancel or modify this program at any time. All sold units ordered prior to program cancellation or modification will be honored under the original program provisions.
11. Units currently on order can be cancelled and reordered under this program building 2026 with eMV607 order.
12. No modification to program incentives or substitution for program incentives will be allowed.

RESO 21-2026

By Alderperson:

COUNCIL AS A WHOLE

Seconded by Alderperson:

**RESOLUTION DESIGNATING CITY NEWSPAPER**

**WHEREAS**, the City of Rensselaer, pursuant to Section 89 of the Rensselaer City Charter, is desirous of designating, for Calendar Year 2026, the Troy Record as its official newspaper for the publication of City Notices, Legal Notices, and other publications necessary in conducting its official business, and the Times Union as the back-up official newspaper for the City should the services of two newspapers be required or should the Troy Record be unavailable to provide services to the City of Rensselaer,

**NOW THEREFORE BE IT RESOLVED**, that the Troy Record be designated as the Official Newspaper of the City of Rensselaer, and the Times Union as the back-up official newspaper, for the 2026 Calendar Year.

Approved as to form and sufficiency
