Dear Ashley,

I would like to invite you to be a part of the vibrant Rensselaer Farmers Market at Riverfront Park in Rensselaer, NY. I believe your farm/business and your products would be a fantastic addition to our community market.

Where:

We will be at Riverfront Park every Thursday from 4:00 pm to 7:00 pm starting on June 4, 2026, through September 24, 2026.

Why You'll Love It:

The Market is a welcoming space for farmers and local producers to directly connect with customers, offering fresh, high-quality products and fostering a sense of community.

We will be introducing special events and live music. Our Market will be heavily advertised.

What We're Looking For:

We're aiming to feature a diverse array of locally grown produce, artisanal foods and other farm products. According to our survey conducted last fall the top items our community is looking for at the Market are fresh, local fruits and vegetables, baked foods, cheese, jams and jellies and fresh herbs.

Vendor Benefits:

We offer low stall fees, advertising opportunities, and lots and lots of shoppers.
