

Bicycle and Pedestrian Access Improvement Project (PIN 1761.83)

Project Area

The project runs on-road along Broadway from the Dunn Memorial Bridge to Partition St, on Partition St from Broadway to 6th St, and on 6th St from Partition St to the dead end. The off-road portion runs from the dead end of 6th St to the dam along Quackenderry Creek.

Project Purpose

The project aims to provide safe, dedicated, ADA compliant pedestrian and bicycle accommodations through the City of Rensselaer. The trail will contribute to building vital connections that can be accessed by alternate means of transportation.
