

**CITY OF RENNSSELAER
2013-14 BUDGET**

TO MEMBERS OF THE RENSSELAER COMMON COUNCIL AND
THE CITIZENS OF THE CITY OF RENSSELAER

Attached to this letter is the City's annual budget for the coming fiscal year. We (Mayor Dan Dwyer, Council President Harry Adalian and City Treasurer Susan Lupian) are the members of the City Budget Committee and have worked together to build a more accurate and more complete financial plan for the City.

The Proposed General Fund totals \$13,180,879 and is the basis for setting the Property Tax Rate. Revenues from property taxes are expected to total \$6,333,654 or nearly half of General Fund costs.

This year we experienced significant increases in expenses related to health insurance, Workman's Compensation and debt service payments, coupled with a dramatic decrease in property tax income due to a decline in taxable assessments. To cover this imbalance, this proposal reflects a variety of revenue actions which include the following: increasing the property tax rate by one percent; using SAFER grant income for the four additional firefighters; increasing various departmental fees; and instituting new departmental charges. Expenditure actions include: creating a separate fund for Sanitary Sewers, reducing operating costs throughout City departments; amortizing eligible retirement system contributions; eliminating positions in the Department of Public Works; and reducing police overtime. The budget does provide a 1.5 percent salary increase to non-union employees.

On the efficiency front, we established the Administrative Services Unit responsible for Human Resources and Purchasing. We centralized purchasing, hired a Human Resources Officer and transferred the Civil Service Commission function to Rensselaer County. The KVS system was upgraded to maintain the purchase and expenditure system and will continue to strengthen the administrative capacity in the coming year with the implementation of a Human Resources Manual and further use of KVS programs.

This past year the City has endured destructive weather and increasingly serious street, water and sewer repair/reconstruction needs. We have included our first Capital Budget and are developing a capital plan to prioritize City projects during the next five-year time period.

Overall our financial situation, though reduced from last year, seems secure. By continuing our efforts to control expenses, enhance revenues and improve administration functions, our future continues to be positive.

Mayor Dan Dwyer

Common Council President Harry Adalian

City Treasurer Susan Lupian
